All breeds welcome, come along & have a bit of fun. No experience required. No puppies under 1yr.

Help is required by all handlers to set the equipment up and clear away.

This is a "fun" agility class. All we ask is that your dog is well behaved around other dogs. Dogs will be encouraged to eventually run the course off the lead. However, this is always at the discretion of the trainer/s. Any dog that is not obedient and is not well behaved around other dogs will be asked to remain on the lead and may also be asked to be muzzled. Dogs are only allowed off the lead at the trainer/s request. Please note: Only one dog on the course at a time, as per the risk assessment approved by the committee.
